## Application Tips

- Ensure you provide the information requested, namely:
  - the Application Form;
  - a one-page covering letter;
  - your Résumé;
  - your Academic Transcript; and
  - anything else which may be outlined in the advertisement.
- In your covering letter, clearly outline how a clerkship opportunity with the Commission will support your legal career.
- Invest sufficient time to prepare your application so you present yourself in the best possible light e.g. no spelling errors; correct references.
- Ensure you take the time to tailor your application – avoid just changing the name of the organisation.
