

AUSCA Cultural Festival

Our annual Cultural Festival is launching again this year. The main purpose is to strengthen the connection between different nations clubs and to share the value of culture diversity. Now we are warmly inviting you with our sincere heart to join the big culture family. All we need is just your passion towards the multi culturalism as we do and a willingness to bring along the essence of the culture representing your countries. More importantly, we hope you will find your enjoyment and immersement through this cultural feast along with us. Below you will find the details of the event including the time, location, our planning activities and our expectation from you.

Location: Maths Lawn

Our expectation from you: We hope you can enjoy and fully immerse in this festival. In order to ensure that, we expect you to **bring along the essence of your culture in the form of any sorts, such as ornaments/food/souvenirs selling, cultural performance, handcraft show etc.** There is no limit to the amount and form of activities/items you would display, **any preparations reflecting the uniqueness of your countries' culture will all be highly well treated and welcomed (Don't worry about the space, we will have stalls and enough space, just make sure you prepare all the items and prerequisites beforehand, we will promise the best effect of your display).** **The money gained by other student associations will belong to you as our thank you.** We sincerely appreciate your presence and all the efforts and contributions you invest in and make along the way. We' re deeply aware of that without your coordination we would not be able to turn the culture feast into a success. Thank you again for your willingness to join in and we look forward to witnessing the amazement that your culture would bring along.

– On behalf of all committees
