

KANGAROO ISLAND DAY TOUR

EXCLUSIVE FOR INTERNATIONAL STUDENTS

July 17th 2020 COST: \$180 PER PERSON

Generously supported by Study Adelaide

Words on Wheels invites you to join us on a tour of Kangaroo Island.

The third largest island off the coast of Australia, Kangaroo Island is a nature wonderland.

With 30% of its land protected as national and conservation parks, the island offers pristine wilderness and opportunities to see wildlife in its natural habitat. The day will also focus on the amazing transformations of the bush after recent bushfires. The island is promoted as a world-class nature-based tourist destination and is regarded as a key attraction in South Australia.

Kangaroo Island is spectacular and of great significance for biodiversity conservation.

Day Tour (lunch & dinner)

Departing Adelaide at 6.15am and Flinders University at 6.40am we make our way to Cape Jervis and transfer to the Sealink Ferry. The journey across the Backstairs Passage is aboard a modern and comfortable ferry.

Once on the island we first make our way to the very special Seal Bay Conservation Park. Here we join a ranger-guided walk among a rare colony of Australian Sealions. The ranger will teach you all you need to know about these fascinating animals.

After a picnic lunch at Bales Beach we will head to Kangaroo Island's Little Sahara for some sandboarding fun on the dunes.

Later in the afternoon there is an opportunity to visit one of the Island's local producers. Clifford's Honey Farm is home to the purest strain of the Ligurian bee. Here you can buy fine honey and other products which is produced from the Island's diverse flora. It is also home to Jenny Clifford's famous honey ice-cream.

Last stop before leaving KI is a walk-up Prospect Hill to take in spectacular 360 views of beautiful Kangaroo Island.

Departing Penneshaw at 5.30pm. Light pizza dinner at Normanville before arriving back in Adelaide at 8.00pm
